The Poulsbo Sons of Norway Leikarringen has been dancing for over 20 years. Children between the ages of 5 and 18 learn and perform traditional Scandinavian dances. Over 100 children participate in the program annually.

Accompanied by live musicians, the Leikarringen display their expertise at a variety of circle dances, couple dances and intricate figure dancing including both the Swedish and Norwegian weaving dances.

At many performances the Leikarringen share their skills by inviting members of the audience to join them in simple dances.
