**From the Trolls' Den**

Greetings from the (unusually quiet) Trolls' Den ~  
First and foremost, I must say; **WE MISS YOU ALL SO VERY MUCH!!!** While we will, of course, follow the official guidelines for re-opening the lodge and the Trolls' Den, I promise you that will happen as soon as possible!  
Thank you to all those people who so generously donated to the 'Go Fund Me' account and sent donations in support of your bartenders, other lodge staff and your lodge. The additional support (financial and otherwise) you all have shown us has been humbling, overwhelming and *absolutely 100% appreciated!* In these uncertain times, it has become more important than ever to show each other often how much we care, love and support one another – even if it must be from a safe distance – you all have made us feel so appreciated. We simply cannot wait to get back to seeing all your friendly faces on a regular basis. A lot of spring cleaning and updating projects are underway in the lodge including the Trolls' Den. When we return we hope you all feel welcome and energized by the new, fresh looks that many parts have received. Watch your emails and The Maaken for info on a Grand Re-Opening party and check the Facebook pages regularly. On behalf of your bar staff, we hope to see you soon!! Skål!~  
Koleen Kelley -Trolls' Den Bar Manager - (360)509-8509

**President's Message**

Many of you were probably able to enjoy the impromptu parade on Saturday May 16<sup>th</sup> with our wonderful Vikings pulling their float down Front Street. I saw a video of it and they were all having fun! If you missed that parade, you got another chance on Sunday when some of our members held a spontaneous car parade celebrating Syttende Mai. There were about 20 cars decorated with Norwegian flags, shirts, blankets, and flowers. Our beautiful Royalty had a place of honor in the parade that went from Lions Park to the Martha & Mary and back. Thank you to all who participated in celebrating this important Norwegian event and reminding everyone that Viking Fest might have been canceled—but it was not forgotten. What it did remind some of us “older” members of was how it used to be when Viking Fest was young and everything was smaller and more neighborly. A fun memory. Normally we would all have been enjoying the lodge and Trolls' Den making new memories while celebrating and enjoying Viking Fest. However, 2020 is far from a normal year.

I hope you all received my latest report on the Executive Committee zoom meeting and what's been happening at the lodge. We are in the process of defining a COVID-19 plan for when we reopen. Brian Smith and Koleen Kelley have agreed to be Co-Chairs for our COVID-19 policies. If you'd like to be involved or have suggestions, they will be your main contacts.

When we do reopen, you are in for a surprise in the lodge and Trolls' Den. I won't say more about that now. June is beckoning us and, hopefully, we will soon be open for business once more. Remember, when we do reopen--  
It's a NEW DAWN, it's a NEW DAY, it's a NEW LIFE,  
Fred være med deg til neste måned  
Sherry

## You Have A Plan—Does It Cover Everything?

Planning for the unexpected is difficult but necessary. You have plans in place for car repairs, you plan for the water heater to break down, and you may even have a plan in case of job loss. But most people don't have life insurance in case the worst should happen. Reach out to your Insurance Professional and see if a whole life policy fits your plans to safeguard your family's future.
